

HOW TO SIGN UP!

If you have any questions during the sign up process, please feel free to reach out to Christina Vilardi, Executive Director directly at cvilardi@alsunitedri.org.

Note that you must also email Christina to sign up your company and reserve your date for your event. Registering via the link below only sets up your company's digital fundraising page.

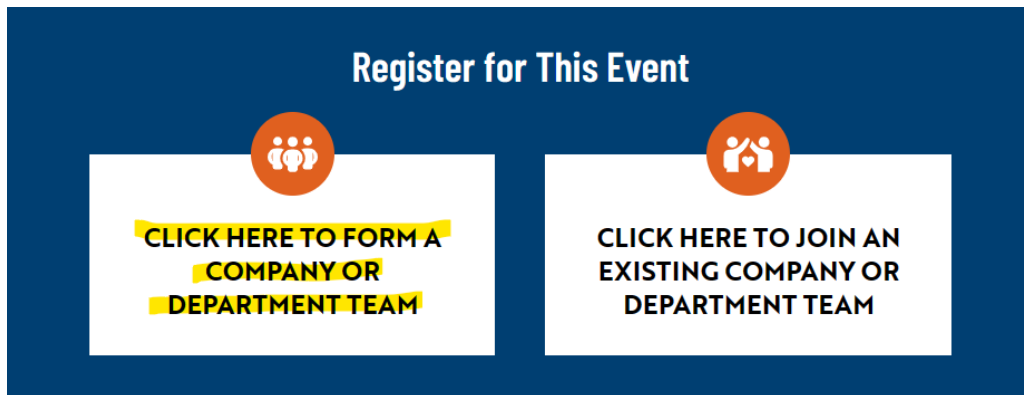

If you have not already returned a CEO Challenge Agreement Form to ALS United RI to confirm your company's participation in the event, please do so. Your company's event will take place on the date of your choosing, but must be scheduled with us in advance.

Thank you for your participation in this year's CEO Challenge!

Note that ***Team Name** is a required field. You must set up new team (or your company's first team) while you are registering your company to participate.

If you aren't sure if you will have more than one team, we recommend starting with a team name like this: "*ceo name Gets Soaked to End ALS!*" or "*company name CEO Challenge for ALS*". **Note that you can always EDIT your team name later.**

For companies that know they will have multiple teams, you can begin setting up your teams here. You may have up to 50 teams.

A Note About TEAMS:

Some companies decide to set up teams for each department in their company. Each department fundraises together, and the department who fundraises the most could be the one to SOAK the CEO! Alternatively, in a smaller company, each employee could create a fundraising page under the company team (after creating one team) and raise against each other for the honor of soaking their boss!

There are lots of fun ways to structure this event. Please feel free to reach to our team at ALS United for ideas and support.

Follow the prompts to either log in or *join as a new participant* and create a new username and password for our site.
